

Autobahn ATBS

LED Roadway Luminaire

For more than 60 years, the American Electric Lighting® name has been recognized for the highest quality and reliability in outdoor, utility and infrastructure lighting.

Designed to replace up to 200 watt HPS cobra heads, the virtually maintenance-free Autobahn ATBS uses breakthrough LEDs and precision-engineered optics to provide exceptional illumination while also saving energy – typically 60% or more than HID.

Plus, it works seamlessly with Acuity Brands® outdoor control systems to maximize energy and maintenance savings through enhanced monitoring and control functions.

Lightweight, reliable and extremely efficient, the Autobahn Series is the definitive choice for roadway lighting renovation and improving sustainability in your infrastructure.
