

Zip Micro

The new drinking water system for smaller spaces

Optimised for up to 10 people

Zip Micro will keep up to 10 people hydrated with perfectly boiling and boiling + chilled filtered water options.

Easy to use

Zip Micro is only available in the newly designed tap, with an integrated safety lock and uses an intuitive twist activation with auto and manual fill options. The underbench system comes with pre-configured settings and modes.

Micro-filtration for pure tasting water

Zip Micro uses the latest filtration technology for pure-tasting water. Zip filters are certified to reduce bacteria, sediment, odours to NSF 42 (aesthetic effects) and NSF 53 (health effects).

Small space - big difference

Designed to fit under almost any bench, but still delivers perfectly boiling and chilled water at your fingertips.

Direct Chilling

Rapid chilling and heat transfer technology delivers chilled water consistently at the ideal temperature.
