Cenit

Better Ways of Living

Cenit is an importer and distributor, specializing in advanced lighting and hydration solutions. We cater to a broad spectrum of sectors, including commercial, infrastructure, industrial, residential, and public works applications throughout the Philippines.

For over 30 years, Cenit has been synonymous with excellence, delivering unparalleled lighting and hydration solutions. Our dedication to sustainability is reflected in our selection of energy-efficient products, and our commitment to innovation and quality places us at the forefront of the industry.

Cenit distinguishes itself by offering comprehensive technical services. Our seasoned experts provide tailored technical consultations, conduct basic lighting calculations, and offer product installation assistance. We understand that the journey doesn't end with the purchase, which is why our dedicated team is also committed to providing ongoing maintenance service support.

As a customer-centric organization, Cenit places a premium on building lasting relationships. Our professional and responsive team is always ready to offer personalized solutions, ensuring a seamless experience for our valued clients.

Discover the Cenit difference – where innovation, quality, and customer satisfaction converge for better ways of living.

HYDROTAP TOUCH-FREE WAVE
Sensor Technology for Handsfree

FILTERED **BOILING**   FILTERED **CHILLED**   FILTERED **SPARKLING**

Smart infrared 100% touch-free operation that is activated with the wave of a hand.

HYDROTAP CLASSIC PLUS
Touch-pad Classic Plus

FILTERED **BOILING**   FILTERED **CHILLED**   FILTERED **SPARKLING**

Intuitive controls including continuous flow to fill bottles, boiling water safety lock, and SteriTouch® antimicrobial protection within the new Classic Plus touch-pad for enhanced hygiene.

HYDROTAP ARC PLUS
Filtered Tap

FILTERED **BOILING**   FILTERED **CHILLED**   FILTERED **SPARKLING**

With 3 energy saving modes including ON/OFF timers and 2 hour sleep mode, 'Quiet' mode with automated intelligent fan speed adjustment, antimicrobial protection impregnated into key water paths for enhanced hygiene.

HYDROBOIL PLUS
On Wall Boiling Water

The HydroBoil Plus has state-of-the-art technology to maintain boiling water to within 0.5°C of set temperature and features energy-saving Power-Pulse™ technology, inactivity and low-light sleep modes, along with timer settings for ease of use and efficiency.

TOUCH-FREE WAVE

ZIP ARC PLUS

CLASSIC PLUS

KALIX
Sensor Activated Water Dispenser

Uses advanced infrared sensors for automatic water dispense activation to eliminates concerns of cross-contamination from pathogens and viruses.

Ideal for offices, hotels, hospitals, convention centers manufacturing plants, and residential use.

AQUA POINTE
Sensor Activated Bottle Filler

Surface mounted bottle filler delivers ambient drinking water with an electronic sensor for a contactless activation.

Ideal for schools, gyms, airports and other public areas for people who bring their own personal water bottles.

ELIMINATES
99.9%
WATER BACTERIA

ULTRA BLUv
Smart UV Water Sterilizer

The industry's most compact, energy efficient and intelligent UV sterilizer. ULTRA BLUv can be easily installed to upgrade your Point-of-Use dispensing system or filtration system.

Can integrate with your regular appliances, coffee machines, water filtration systems, refrigerators with water ice dispenser and others.

World's 1st Electric Dehumidifier

DEHUMIDIFIER WITH **R290**

- Has low energy and economic impact
- Provides high power at a low price
- Is widely present in nature and is neither harmful or toxic.

DEHUMIDIFIER
Evolution D165

The classic-evolution dehumidifier range has withstood the test of time with its timeless design and engineering as the world's first electric dehumidifier.

Ideal for Hospitals, Data Centers, Libraries & Museums, Art Galleries, Household & Offices.

Service Maintenance Program
We offer a comprehensive service plan to ensure that your business is back up and running quickly.

Our services are tailored to meet your needs and include:

- Filter Change Service
- Annual Sanitation and Check Up Service
- Standard Water Test
- Quarterly Preventive Maintenance Visit
- Annual Check Up Service
- Repair and Replacement Assistance

To learn more, send us a message at **marketing@cenitlighting.com**
